STORIES OF LUNTEREN DURING WWII

To commemorate 80 years of liberation in the Netherlands, I created an interactive Power BI report. It maps the Hagespraak site in Lunteren and tells its WWII story through data, photos, and video. Each marked spot on the terrain reveals historical images, documents, and spoken narratives. The layout is built on original NSB site maps, connecting the past to modern storytelling. A tribute made for my friend Marcel, bringing history to life through data design.

Thanks!
You are
amazing!

I want to express my heartfelt gratitude to each and every one of you. Your support, enthusiasm, and positive energy make our community a truly special place. Together, we've created a space where ideas flourish, friendships grow, and support abounds. Thank you for being the heart and soul of this wonderful community.

Let's continue to thrive together, inspire one another, and make our community even more vibrant in the days to come.

With sincere thanks,
